Chang 8th Edition
I am currently a chemistry student. I am not a fan of Chang as he is very dry however I found his fourth edition to be absolutely wonderful. I have been able to use this book since the beginning and still find it useful now that I am way pass the general chemistry classes. His other books are very dry but not this one.

These are the answers to the chapter-end questions in the 9 th edition of Chang's Chemistry.. If you have a different edition of the text, do not despair. Most of the questions have the same numbers, and where they are different, you should readily be able to decipher the answer(s) to match the question(s); they will not be off by very many numbers.
